Products	Professionally arranged quality flowers at affordable prices. We cover all your wedding flower needs, bridal bouquets, buttonholes, flower crowns, corsages, service and reception flowers, and thank you gifts, all delivered throughout Auckland.
Services	With Bay blooms wedding florist, I will meet with you to discuss your options, show you pictures and give ideas to make your wedding flowers special. This first consultation is free and you will receive a no obligation quote. Some brides know exactly what they want and if you are one of those lucky people it is as easy having some time for a talk or send me an email to let me know your ideas, and if you have a picture to show me that would be great. When you are happy with your choices and the quote, you can book in your wedding flowers, by paying a deposit usually between \$50 - \$100 to secure your date. If you have any questions or changes between then and your wedding day, you can feel free to contact me, and I am happy to assist. We are happy for you to organise someone to collect the bridal party flowers, or we will deliver the flowers to you and/or the venue. We will personally deliver and set up arrangements required for venues, as we like to ensure everything arrives in the best possible condition. We can deliver your flowers through out Auckland including Karioitahi, Kumeu, and have even delivered to Coromandel!  Delivery services will incur an additional charge. WEDDING ARCh, Vase and Urn HIRE We also have arches, vases and urns available for hire.
